

→ Up skill your business

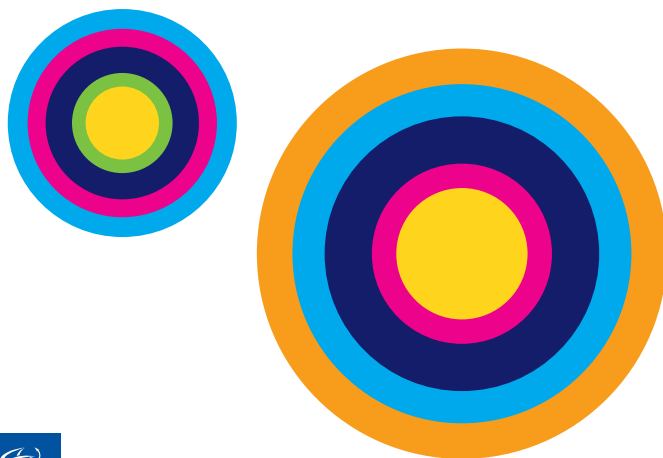

Up to £1,500 per graduate-level member of staff

SMEs* in Wales can access the GO Wales Graduate Training and Development Fund to help with the cost of training their graduates

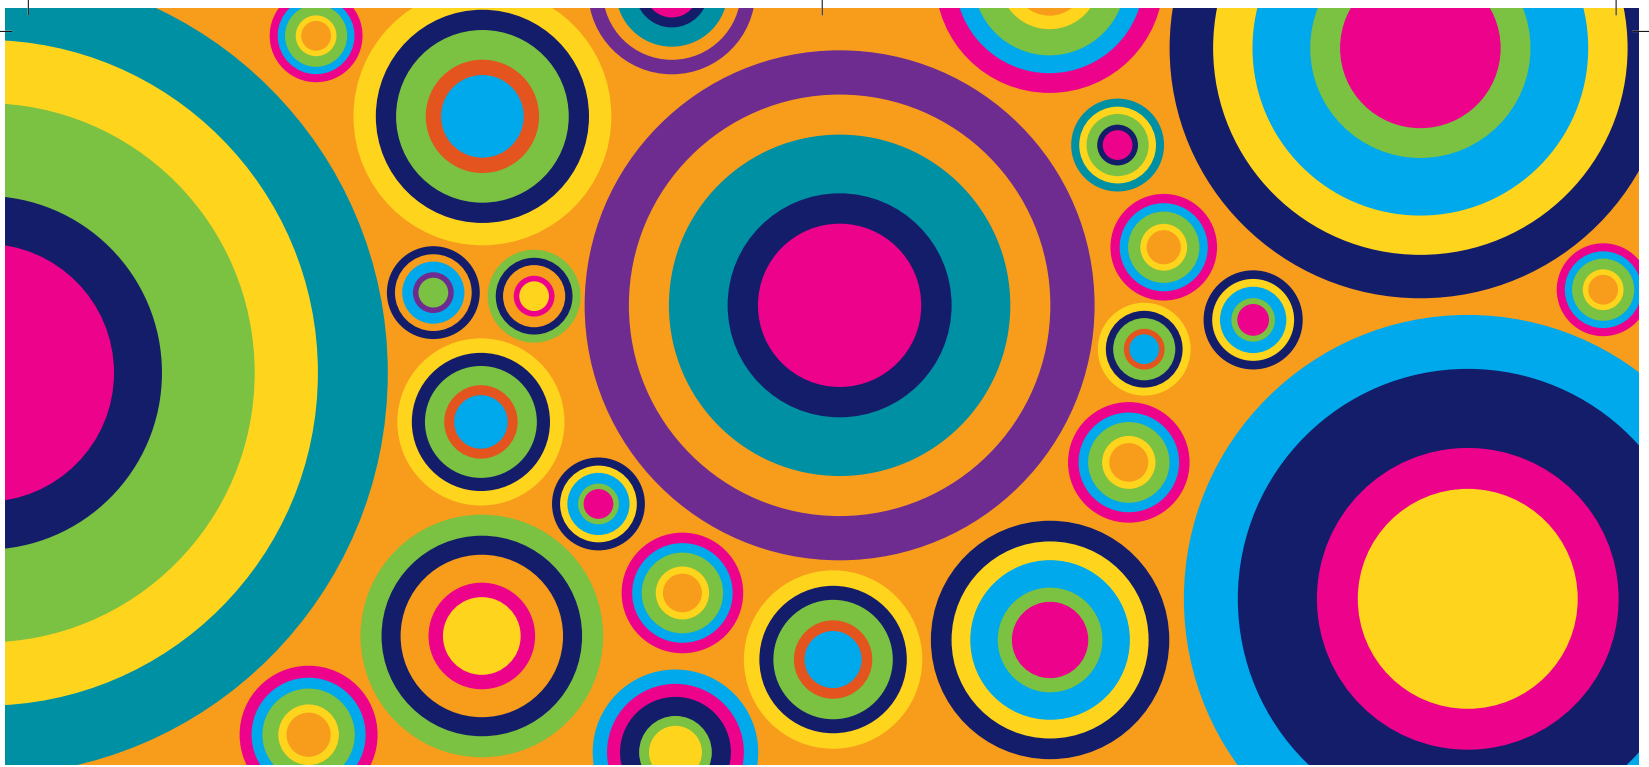

* SMEs are small to medium-sized enterprises – companies with 250 employees or under

If your business lacks skills in a particular area or you wish to **develop new skills** for your business then why not apply for our Graduate Training and Development Fund?

- + We can part-fund courses costing over £175
- + We fund 50% of the course cost up to £1,500 – your company pays the rest
- + You will need to make an application telling us how the training will benefit your business
- + Terms and conditions apply – please see www.gowales.co.uk/training for further details and to make an application
